Introduction

Parents / Guardians / Carers enroll their child / children in the Da Silva Pearce School of Performing Art (DSP Performing) to attend on Saturday mornings during term-time where they follow a Performing Arts curriculum of Acting, Dance and Singing. Our curriculum is modeled on Musical Theatre and related styles. Fees are paid via Direct Debit only on a monthly, termly, quarterly or annual basis. Different rates apply depending on the frequency of payment. The rate for fees remains fixed for a minimum of three years and often extended beyond to reward loyalty to our school.

As a school encompassing age ranges from 5 to 17, we have a legal and moral duty to ensure the safety and well-being of our students. The personal information that we collect via the application form is used only for this purpose and naturally includes parental contact information, names and dates of birth of the child and any medical information or special needs that might impact on the child's ability to access our curriculum. All such information is treated in the strictest confidence and is only intended for internal use.

Many of our clients often don't realize that even with a simple business model like ours, we do need to rely on third-party services (that we administrate), to securely process payments, store and organize your data, send out our email newsletters etc.

If you have any concerns, or are simply curious to have us elaborate on any of the points below, [please get in touch](#). We believe strongly in the importance of these General Data Protection Regulation (GDPR) principles and want to do a good job following them – so your feedback is always appreciated.
